Congrats on finding the first clue! Just like the one you just clicked, there are seven more "here"s hidden throughout the IE website!

Fill out this grid with the answers you find, which will usually be surrounded by asterisks. We've already filled out the first cell for you. A1 is: *V palawan*.

You'll probably want to download this grid so you can fill it out as you find more clues. As you fill it out, you'll find more directions on how deep this hare hole goes...
